

Glazier Foreman Wanted

Great Pay & Benefits, Day Shift, Work Close to Home

Earn a competitive wage at one of Nashville's best construction companies while working close to home on high-profile projects. Local work means more time at home and more money in your pocket.

Work for Alexander Metals as a GLAZIER FOREMAN.

If you have experience as a glazier and are looking for the next step in your career, this job may be for you. Oversee the installation of aluminum storefront, curtainwalls, or windows on job sites in the Nashville area from 6:30 a.m. – 3:00 p.m. Monday through Friday. Manage projects from start to finish, including filling out job site paperwork and attending jobsite foreman's meetings.

To qualify, you'll need to have previous work experience supervising projects as a glazier, be able to read architectural drawings and shop drawings, and perform basic layout functions. You must have basic hand tools, be 10-hour OSHA certified (at minimum), and be certified/ trained to operate lull, scissor lift, and articulating lifts.

You'll like working at Alexander Metals Inc. You'll enjoy building a career with a locally-owned, family-oriented company that offers long-term employment opportunities with plenty of room for advancement. Expand your skills and build your future in a team-oriented environment with a company that strives to create a healthy work culture. Make new friends at social events for employees and families.

Apply in person between 7:30 a.m. and 2:30 p.m. at Alexander Metals Inc., 497 Cave Road, Nashville, TN 37210. Or call 615.256.6070 to set up an interview.
