

Draftsman Wanted

Great Pay & Benefits, Exciting Projects, Opportunity for Advancement

Take your career to the next level with one of Nashville's best construction companies while working on high-profile projects that are changing Nashville's skyline.

Work for Alexander Metals as an ARCHITECTURAL DRAFTSMAN.

Produce shop drawings for aluminum storefronts, curtainwall and metal panel systems. Manage multiple projects with respect to initial schedule and/or any revisions required. Assist with the production of fabrication cut lists and/or fabrication sketches. Manage outside drafting resources, and interact with internal project managers, manufacturers, and architects as needed. Work hours are from 7:30 a.m. – 4:30 p.m.

To qualify, you'll need to have at least five years of previous experience in draftsman or similar role, and commercial construction knowledge. The ability to draw elevations, floor plans, and wall sections is a must, as is the ability to read and interpret architectural drawings. The candidate we choose will be proficient with AutoCAD 2016 and have experience with Microsoft Office.

You'll like working at Alexander Metals Inc. You'll enjoy building a career with a locally-owned company that specializes in multiple architectural building envelope products and offers long-term employment opportunities with plenty of room for advancement. Expand your skills as you work independently and in collaboration with architects, engineers, and other building professionals. Grow with a family-oriented firm that strives to create a healthy company culture. Make new friends at social events for employees and families.

To apply, email a cover letter and resume to careers@alexandermetalsinc.com or apply in person at Alexander Metals Inc., 497 Cave Road, Nashville, TN 37210.
